

IMPORTANT CORRECTION NOTICE

This version has not been updated to reflect all of the current teachings that we understand from the Bible. For example, we now have a correct Biblical knowledge of God's Judgment process. Therefore, please disregard statements within it that speak of such things as "eternal damnation".

Also this book does not reflect everything that the Bible teaches. Just as God had instructed Daniel in Daniel 12:4 to "shut up the words, and seal the book, even to the time of the end." We are now in "the time of the end" when God has taken off the seals from His Word. For more biblically-based information on this subject of God's timeline of history as a supplement of our current understanding about the end of the world, please read the publication "We are Almost There" and "To God be the Glory" by Mr. Harold Camping, President of Family Stations, Inc.

The booklets "I Hope God Will Save Me" and "Wheat and Tares" have been updated and do reflect a correct Biblical knowledge of God's salvation plan.

We still think "Time has an End" contains a lot of spiritual truths and will benefit you in your walk with God.
